Following Project:

**"MACHINE LEARNING BASED AUTOMATION OF THE HARDNESS AND
TORQUE TESTS CONDUCTED FOR THE PRODUCTS DEVELOPED"**

Ref: Your Project Proposal dt: 23.09.2019

Dear Sir,

In line with the discussions that we had, we are pleased to confirm you our work order to carry out the Engineering Services for the works mentioned under subject. You are requested to please treat this a Letter of Acceptance (LOA) with the entrusted work as per the details stated below:

Deliverables:

1. Study of hardness and torque tests conducted for products developed
2. Preparing the supervised ML algorithms on data of automation hardness and torque tests
3. Provide detail test reports to client

The research aims at highlighting how the applications of machine learning practices are becoming the key drivers of innovation in mechanical engineering including component design, asset operation and maintenance, fault detection and diagnostics, maintenance optimization and to improve customer satisfaction of the quality of Ample Auto Tech Pvt. Ltd. We hereby accept your financial proposal of **Rs. 5,99,119/-** Per Year (Five Lakhs Ninety-Nine Thousand One Hundred and Nineteen Rupees Only). Kindly send proforma invoice and bank details for further process. Time period for the project is 1 year from LOA issue date. Terms & Conditions remain same as per MoU.
