X. Self Appraisal:

After taking charge as a HOD, CSE department at GRIET, Many Faculty Development Programs have conducted compare to previous years. New certification courses like Cisco, Python is introduced. For the first time in GRIET kind of Value Added Course is conducted for the 3rd year B.Tech CSE. Many more new methods have introduced in the department. B.Tech NBA Accreditation was major challenge and that is also succeeded got accreditation for 3 years. My contribution to Computer Society Of India through GRIET CSI SB got a significance and I am nominated as a TELANGANA STATE STUDENT COORDINATOR. With vibrant activities students are coming forward to take membership in GRIET CSI SB. For the first time Telangana State Level Event conducted by CSI SB in GRIET. Publishing Journals in Scopus indexed , applied for DST-CRG project, and collaborated with peers of same research area and published papers. Also applied for AICTE STTP program and AICTE ATAL program. Needs improvement in publishing SCI indexed papers, research in Education Technology and more project proposals.

X. Self Appraisal:

From December 2018 on wards I am working as HOD of Humanities and Basic Science Department and First Year. 1. I restructured the Department with effective functionality. 2. I synchronized all the faculties to work cohesively. 3. Physic, Chemistry, English, PPS, EG labs have been upgraded. 4. Successfully completed NAAC, JNTU and NBA inspections. 5. Data and File Management system has been established. 6. WS/GL have been arranged in the Department. 7. Supervising Two M.Tech. projects. 1. Teaching: I Semester: I instructed PPS Theory and Lab Course for two sections CSE-C and ME-A with a work load of 8 hours theory, 6 hours lab and 2 hours Tutorial. I have very good feedback and satisfied with my conduct of instruction. In II semester I instructed PPS Theory and Lab Course for two sections ME-A and ME-B with a work load of 8 hours theory, 6 hours lab and 2 hours Tutorial. 2. Research: I have 6 international conference and 1 national conference papers 3. Projects: I am supervising 3 projects of I year B.Tech. 4. Seminars/WS: I attended/presented papers in four international conferences and attended 1 FDP. 5. CPDS-Coordinator: As CPDS coordinator I administered and monitored all the activities of the CPDS Faculty effectively and efficiently. Encouraging faculty for improving qualifications, teaching skills, research work, and seminars/WS. I am also encouraging them for active participation student activities and to perform secondary duties. 6. FDP/Conference Coordinator for I year: I am doing the necessary ground work for organising a proposed national conference. I am initiating and coordinating for FDP by CPDS faculty during II Semester. 7. In-Charge of I Year ECE: As in charge of ECE I am monitoring the instruction, feedback, student activities and other related matters. We have successfully conducted the Fresher's Day. 8. CP Projects: I am the convener of the I Year CP projects and monitoring the faculty for supervising the CP projects and encouraging the students for doing projects. This semester One of the first year student presented a research paper in Springer international conference. 9. I also assisted principal in collection and analysis first year student data regarding their career. 10. I have also performed the duties of Observer during the semester examinations.

I have taught the following subject during this academic year Computer Networks and Unified Modeling Language. I had a major role as a NBA coordinator for B. Tech Computer Science and Engineering. Actively involved in JNTU work (Block 3 MAC address Verification) and NAAC work (IQAC, Criteria 6 and 7 Coordinator department level). And Also I am working as M. Tech software Engineering Coordinator. I published 08 papers in various SCI and Scopus indexed International Journals. Attend training programs and Workshops. By attending the training programs and workshops, I have gained some knowledge and shared that knowledge to the students which is helped to improve their skills and knowledge. I received consultancy grant Rs. 6, 76, 892/- rupees during 2019-20 academic year. Thank you

X. Self Appraisal:

Applying technology and using active learning techniques to teach programming is what i tried this year. Motivating students to do competitive coding guiding them and helping them is another job that i am doing other than subject teaching. As a faculty coordinator for cpds my job was to manage coordinate and monitor overall activities of cpds. Also my secondary duties include discipline committee member and floor incharge. I delivered my responsibilities to the fullest with utmost respect, dedication and sincerity. I finished my Ph.D course work and research methodology course work in October 2019. I cleared my Pre Ph.D in January 2020. I am doing my research work now. Doing online courses, learning various new

technologies is a part of my job each year. I also take care of exams in cpds.

X. Self Appraisal:

I have positive attitude, self-motivated, hardworking and committed towards assigned roles and responsibilities. Apart from my regular deliverables I have published one "international conference paper in Scopus". I have attended different workshops and FDPs. This makes me learn more insights and deep subject knowledge. Apart from my regular class work I learn and used ICT Moodle, Google class room and Google quiz for DBMS (also DBMS Lab) and Big Data Analytics in I Sem and II Sem respectively. Appointed as Additional Control of Examination-Promulgation-2 from academic year 2017-18 to 30th November 2019. Appointed as DAA coordinator from academic year 2019-20 to till date. Being in the role I learned the internal insights and knowledge in quick time and took ownership of most of the modules and deliver the work on time. I have completed 6 hours online course "AWS CLOUD PRACTITIONER ESSENTIALS" through AWS. Also organized

students through ICT. I have also finished NBA compliance report file work (related to result analysis) where I have stretched my regular working hours and completed the work on time.

X. Self Appraisal:

As on March 2020, discharged all duties assigned by authorities to their at most satisfactory levels. Continued as Budget Coordinator of Dept for past 4 yrs. Two Scopus Publications in this academic year. SAFE APP usage continued. Played a key role in International MoU with UCM-USA. Played vital role in getting sponsorship of worth 80000/- for CHAI hackathon.

Organized successfully CSI Telangana STATE Student Convention 2020. Continued as SPOC for Google Developers Student Club. Handled new course Design Thinking effectively in the CSE Dept.. Could generate good IRG for CSI SB by motivating more than 100 students to take membership. Organized Motivational, Guest lectures for the benefit of students under CSI by bringing in eminent resource persons. Played a key role in file building for NAAC/NBA related to Budget and other files. Continued Spoken Tutorials legacy with total number of certifications till now reaching 2022 only from CSE. I thank my authorities for providing opportunities to showcase my skills.
