IX. Awards:

Date	Award	Organization
------	-------	--------------

X. Self Appraisal:

Since assuming the role of Head of the CSE department at GRIET, I have initiated numerous Faculty Development Programs, surpassing previous years efforts. I have introduced new certification courses such as Cisco and Python. Furthermore, I am proud to have organized a Value Added Course exclusively for third-year B.Tech CSE students, a first in GRIET history. My leadership has led to the implementation of various innovative methods within the department. Moving forward, it is important to acknowledge areas that require improvement. Specifically, I aim to enhance my publications of SCI indexed papers, delve deeper into research related to Education Technology, and generate more project proposals. I published two SCI papers. Moving forward, it is important to acknowledge areas that require improvement. Specifically, we aim to enhance our publication of SCI indexed papers, delve deeper into research related to Education Technology, and generate more project proposals.

X. Self Appraisal:

During the period of 2020-21 I was HOD of H&S Department, Academic Council member, BOS Chairman for 1 years, Convener for Induction and Orientation program. I have efficiently completed both academic and administrative works during the Covid pandemic period. Really it was a new and challenging job for all of us. It was a testing period for me. We made excellent contribution for achieving NAAC A++ for our Institution. We created data and files for the last seven years and the department has wealth of data and information. Now, only regular Updating is required. We have established new labs or upgrading the first year

labs. We have conducted Induction Program and orientation program and annual Day program successfully for the last two years in both Off line and Online modes in a memorable way and was highly appreciated by the entire college and management. Even though unfortunately we lost Mr. Satya Venugopal Rao, office assistant, the entire department, college and management stood with his family and supported with financial assistance of about 7.5 lakhs. All faculty have maintained self-discipline in the conduction of academics. We could establish a good department office and online exam system. Also, we could establish Department library. Six faculty awarded PhD. Two faculty have been promoted as professors and three faculty have been promoted as associate professors. GR20 Regulations have been designed and implemented for H&S subjects. The Department has conducted SIX FDPs in the last two years. The Department has also got Consultancy work from ICRISAT. A confidence has been built among the faculty that the department is of all the faculty and everybody has rights and responsibilities in the department. All the faculty have felt responsibility, accountability possessiveness about the department. Good relations were established with all other departments and now the Department has in the good looks of all the stake holders.

I handled OOSE for 3 sections in the first semester and SE for 3 sections in the second semester. I have mentored 12 students of present 2nd year and all have successfully completed all their subjects without backlogs. I have guided 3 major and 3 minor projects during this Academic Year. I have published two conference publications of Scopus this year. Presently handling the responsibility of Dept. Examination Coordinator since October 2018. It involves conducting mid exams for II, III and IV year BTech Students, allotting invigilation duties for faculty (both internal and external). collecting Question papers and conducting Examinations, both theory and practical examinations.

IX. Awards:

Date	Award	Organization
------	-------	--------------

X. Self Appraisal:

I have taught the subjects, Object Oriented Software Engineering and Unified Modeling Language to B. Tech III year and B. Tech Final year. Actively involved in JNTU work (Block 2 MAC address Verification) and NAAC work (IQAC and Criteria 6 Coordinator department level). And Also I am working as CSBS Coordinator and M. Tech software Engineering Coordinator. I published 08 papers in various SCI and Scopus indexed International Journals. Attend training programs and Workshops. By attending the training programs and workshops, I have gained some knowledge and shared that knowledge to the students which is helped to improve their skills and knowledge. I have been submitted one SERB CRG project worth 19, 62,325/-, is accepted for Evaluation. Thank you.

2023-04-03	2021-06-30	NBA	1	Criteria 5 In-charge

(Department) Department - 1, Institute - 2

IX. Awards:

Date	Award	Organization
------	-------	--------------

X. Self Appraisal:

I successfully completed the duties assigned to me like preparation of NBA files, mentoring, etc. -> I completed the syllabus in time for DBMS and Big Data Analytics. I effectively used Moodle to disseminate information to the students and presented them screencasted videos on important topics. I focused on GATE related topics. -> I effectively worked for the JNTU inspection work. -> I successfully maintained the record of minutes of meeting. I attended FDP from ATAL. I also completed various courses from Simplilearn. I helped the department in various tasks assigned to me.

Admin Assignments Undertaken :

Management Review (to be filled in Office)	Admin Assignments Undertaken (filled by Candidate)

X. Self Appraisal:

I am hardworking and Cooperative person. Given an opportunity, I will give best effort to accomplish the task and proof myself. I taught B.Tech subject HCI and M.Tech Subject oom in both subjects Cent pass percentage. I Organized Outreach activity in ZPHS Nizampet and Ganges valley school in Bachupally. Effectively working as Coordinator of SC/ST Cell. Attended the Workshop on machine Learning, effectively and updated self-competencies on latest technology. Spent great amount of effort in creating B.Tech NBA files and NAAC work. Successfully guided the mini projects, Major projects and M.Tech projects. Awarded Certificate for NPTEL course on "Machine Learning" organized by IITK during Feb-May 2019. Monitored and Mentored about students effectively. As part of this informed to parents about their children about their progress and glitches if any at regular intervals. "Organized well and updated students attendance into GSTATS well within deadlines"

X. Self Appraisal:

In the pandemic time I was holding two crucial roles which I fulfilled to my level best firstly coordinating all the faculty of cpds and organising a NATIONAL LEVEL FDP ON PERSPECTIVES OF ONLINE TEACHING AND LEARNING, collecting data and managing NEWTON CLASSROOM for I B TECH from scratch with in a short period of time to bring it to working. As mid exams have also been conducted online I was a crucial memeber of team from planning to executing. This year I exercised all my duties to the best of my abilities and been a part of decision making and implementation of many administrative works in the department. Handling cpds works as well. A lot of time was spent each day on managing works online and plan to face challenges through out.

(Department) Department - 1, Institute - 2

IX. Awards:

Date	Award	Organization
2021-06-07	Certificate of Appreciation	Padmabhushan Vasantdada Patil

X. Self Appraisal:

Successfully published a paper in International Journal. Did so many Courseera edx certification during pandemic. Participated in many Faculty development Programmes conducted by NITTR, JNTU, IITs and prestigious Engineering colleges in and around Hyderabad which includes GRIET also. I successfully completed the duties assigned to me on time. Gave best in conducting Major project reviews online. I helped the department in various tasks assigned to me. I effectively worked for JNTU inspection work. Participated in many online workshops, Seminars FDPs and guest lectures. Has participated in the Post COVID19 Resurgence of Indian Industry and R & D organized by IARETIIC (Technology Innovation and Incubation Centre) from 18 to 20 May 2020. Able to tune up with new technologies.

Admin Assignments Undertaken :

Management Review (to be filled in Office)	Admin Assignments Undertaken (filled by Candidate)
Knowledge	Role & Responsibility
Communication	Dean
Initiative	Hod
Team Work	Class Coordinator
Commitment	Counselor
Attitude	Committees
Integrity	GRIET Software / GRIET Website / TCS
Dress Code	Ion

X. Self Appraisal:

I am Boda Sindhuja working as a assistant professor in CSE Department, I am very hardworking and punctual .I work hard to teach my subject in more efficient way. Got good feedback from students as well. Along with teaching, Guiding Students for mini and major projects, I use to motivate my students for their bright future. Apart from teaching i am working for my self growth too.
