(Department) Department - 1, Institute - 2

IX. Awards:

Date	Award	Organization
2022-12-22	Best Researcher Award	GRIET

X. Self Appraisal:

Since assuming the role of Head of the CSE department at GRIET, I have taken proactive steps to enhance the departments development. I have successfully implemented numerous Faculty Development Programs, surpassing the achievements of previous years. As we move forward, it is crucial to recognize areas that require improvement. Specifically, I am determined to strengthen my publication of SCI indexed papers, delve deeper into research pertaining to Education Technology, and generate a greater number of project proposals. While I have already published Four SCI papers and one more in pipe line, I understand the importance of consistent scholarly contributions to advance the field. By focusing on these aspects, we can elevate the departments research profile and contribute to the academic community.

2022-11-11	Outstanding Service, 2020-21	Certificate of Appreciation
2022-08-23	Exceptional Contribution, SPOC	MOE, SIH2022

X. Self Appraisal:

As a Smart India Hackathon coordinator organized two, 2-day workshops on IOT, Machine Learning and Edge computing. Coordinated 2022 TCS Remote internship activities. Acted as JUDGE in Project exhibition at GLWC as well as at Geetanjali Engineering College. Delivered guest lecture at Geetanjali Engineering college. Delivered Expert Lecture in FDP conducted by CSE. Reviewed 3 papers in various international conferences. Paper setting done for JNTU, GMRIT, GCET in Design analysis of algorithms. Editorial member for IJSE Journal, Diponegoro University from last 6 years. Published 6

papers of which Two are indexed in Scopus. Guided 6 UG projects of which 3 are converted into publications.

------	-------	--------------

X. Self Appraisal:

During the period of 2022-23 I was Professor of CSE, DEAN of Faculty Development and NEP-2020 Coordinator. As professor of CSE I handled the Theory subjects of Theory of Computations, Operating Systems, Computer Networks and Formal Languages and Automata Theory. In addition to this I supervised three minor and three major UG Projects and papers were published from that project works. As a Dean I conducted Training need Analysis of Faculty from all the Departments and required skill training has been identified. The same was shared with all the departments to prepare an annual plan of FDPs/WS/Seminars/ Guest Lectures etc. I coordinated with the departments for organization the programs as per the planned schedules. I am also maintaining the comprehensive Reports of Faculty development events and sharing with the accreditation systems and for other meetings like GB,AC, IQAC etc. As Dean FDP I have organized two FDPs. One for Faculty Development and other one for Staff Development. Also I organized Three AICTE DCP Guest Lectures at National Level. At Department level I have been the member of student projects scrutiny committee and I reviewed the progress of students projects and their evaluation. I was awarded PhD in CSE by JNTUH which was my second PhD in my

Career. I was also NAAC Criterion-7 Coordinator for collection and comprehension of related data. I did all my works with passion and result oriented.

IX. Awards:

Date	Award	Organization
2022-12-22	Best Researcher Award	GRES

X. Self Appraisal:

I have Published 6 articles in Scopus and SCIE journals and played a very important role as a coordinator in NAAC work. I am a very sincere, hard worker and dedicated teacher. I am very punctual to the college and have the ability to teach any subject in CSE. I received an award as the best researcher from the management. As a DEAN ICT, playing an important role in implementing the ICT activities in the teaching-learning process. As an NBA core committee member, looking after all NBA activities.

X. Self Appraisal:

I have defended by PhD thesis in 2019, and presently waiting for Associate Professor Ratification. I have 2 sections theory in this semester, mentored 12 students this year, guided 3 mini projects and 3 major projects. Presently handling the responsibility of Dept. Examination Coordinator since October 2018. It involves conducting mid exams for II, III and IV year BTech Students, allotting invigilation duties for faculty (both internal and external). collecting Question papers and conducting Examinations, both theory and practical examinations. Published 3 Scopus papers, 1 patent this year and working on an R&D project worth Rs. 10,00,000/- from Measure India Ltd.

2023-04-03	2023-06-30	NBA	1	Lab Master
			1	Criteria 5 In-charge

(Department) Department - 1, Institute - 2

IX. Awards:

Date	Award	Organization
------	-------	--------------

X. Self Appraisal:

I handled good subjects in this year namely Database Management Systems, Machine Learning, Python Programming. Gained a new experience of conducting for the first time ever GRIET Lab On Board for the DBMS subject. I effectively used Google Classroom for disseminating lecture material, quiz, assignment. Active Learning Strategies like TPS and flipped classroom were practiced with the students. Once again supported the department in the smooth conduction of JNTUH FFC inspection being a lab master. Completed Oracle DBMS course on Infosys SpringBoard and also registered for Oracle Database SQL Developer course through TASK. I successfully published a patent, an UGC paper, a scopus paper in this year. Also submitted a paper for SCI during this year. I also completed NBA work successfully on my behalf.

------	-------	--------------

X. Self Appraisal:

Taught B.Tech subject Digital Logic Design in II-I sem efficiently. Presently teaching the subject and Operating Systems Lab in II-II sem effectively. Well maintained the File number O2,O3 of NBA (BOS file,Syllabus books and pink books) under criteria-I. Working as department faculty club coordinator. Currently working as class coordinator for III B.Tech CSE-B. Monitored and mentoring the students effectively. As part of this discussed with parents about student progress and glitches if any at regular intervals and updated mentors record regularly.Organized well and updated student attendance into ECAP well within deadlines. Successfully guided mini projects and major projects done by the students.

X. Self Appraisal:

My name is Boda Sindhuja, and I am an assistant professor in the CSE department. I am known for my strong work ethic and punctuality, as I strive to deliver my subject matter in an efficient and effective manner. I have received positive feedback from my students, and I am committed to guiding them through their mini and major projects, and I have guided students to develop GLOB best practice, towards this practice all the second year students have developed the micro projects using java concepts which they learnt in the JAVA PROGRAMMING LAB, while also motivating them to pursue a bright future. Additionally, I am dedicated to my own personal and professional growth outside of teaching.

IX. Awards:

Date	Award	Organization
------	-------	--------------

X. Self Appraisal:

Taught B.Tech subject Digital Logic Design in II-I sem efficiently. Presently teaching the subject and Operating Systems Lab in II-II sem effectively. Well maintained the File number O2,O3 of NBA (BOS file,Syllabus books and pink books) under criteria-1. Working as department faculty club coordinator. Currently working as class coordinator for III B.Tech CSE-B. Monitored and mentoring the students effectively. As part of this discussed with parents about student progress and glitches if any at regular intervals and updated mentors record regularly.Organized well and updated student attendance into ECAP well within deadlines. Successfully guided mini projects and major projects done by the students.

X. Self Appraisal:

I am here to provide a self appraisal of my performance as a Assistant Professor in Computer Science Engineering Department in GRIET during the period from 2021 to 2023. With focus on implementation of basic concepts of subject with its real life example in laboratory. Effective teaching with power point presentation. Participated with different college activities like plantation, yoga etc and encourage students to participate in different activities. I believe I have effectively fulfilled my responsibilities in teaching, research, and service. I am grateful for the support and guidance provided by the institution, my colleagues, and the students, which has greatly contributed to my professional growth. I welcome any

feedback and suggestions you may have for further improving my performance. I am committed to continuous learning and development, and I look forward to your valuable insights.
