

GOKARAJU RANGARAJU INSTITUTE OF ENGINEERING AND TECHNOLOGY

(Autonomous)

Department of Computer Science and Engineering

Entrepreneurship Development Cell (EDC)

Innovation Eco-System of GRIET

The institution has a vibrant Eco system for Innovations, Entrepreneurship and Incubation.

Technology and Innovation Cell set up by the college offers support and mentors students for identification, development and commercialization of innovative ideas. It conducts competitions and sends students to participate in innovation related activities. It signs MoU's with Industry, Academia and NGOs to emphasize Innovation jointly by exchange of expertise for mutual benefit and growth. The Cell provides guidance, support and resources to the researchers, innovators and creators.

EDC - EDC was setup to create awareness on Entrepreneurship among students and show them a path of how to work on their Entrepreneurial ideas. E-Cell a professional student body was created to transfer knowledge and provide training to students in the field of Entrepreneurship. In the last 5 years EDC has conducted around 40 activities including major events like E-Summit the festival of Entrepreneurship, SIYB a month training program on Entrepreneurship to 4th year students by CITD, TIE grad – An Idea competition, IPR workshop, Workshop on Design Thinking and E-Talks

Incubation- GRIET is Recognized as a Business Incubator by MSME in 2012 and the status was subsequently reapproved in the year 2020. 8 student ideas had been selected and funds were granted to the tune of 52 lakhs.

Idea:

This company is based on creating competent and dedicated solutions that will be capable of protecting the client company data from foreign attacks.

Stage of start-up:

Initial stages. Currently, the entire team is building experience in the fields of Cyber Security.

Customer:

Students, Individuals, IOT-based companies, the web-based company specifically cloud-based companies.

Market:

The cyber security market is expected to grow around \$232 Billion by 2022 according to a report. Domestic IT giants like Infosys and even global players like CISCO have been investing highly in the cyber security domain. The growth in cloud-based security solutions and tools, and an increase in the adoption of big data analytics to gather cyber threats data among other trends are creating humongous opportunities in the area of cybersecurity. Top IT companies in India - viz. TCS, Infosys, Wipro, Cognizant and others may soon begin looking for cybersecurity experts & ethical hackers which gives us an opportunity to get more number of clients from these top IT companies. TCS ex-CEO, Mr. S Ramadorai, who currently heads NSDA (National Skills Development Agency) has said that the demand for security experts is expected to grow in the coming days. He believes hiring and training young professionals to
