Item1. Syllabus subject to be approved by the Academic Council is confirmed for III and IV B.Tech (I and II Semesters) Computer Science and Engineering. Subjects of BS, HSS and EAS as confirmed by BOS of respective subjects are accepted.

Item2. Evaluation Scheme suggested as per GR18 to be adopted.

Item3. Panel of Examiners are suggested.

Item4. Existing practices to be strengthened and confirmed.

Proposals by BOS

- FLAT and CD subjects syllabus and teaching methodology should be aligned with GATE syllabus and exam pattern.
- For open elective DBMS & Java programming offered by CSE to other branch students should have introductory orientation program. Linkage to the other branches may be done by case studies.
- MOOCs to be offer for professional Electives as optional to encourage fast learners.
