Hi Subhash,

We are pleased to inform you that we are initiating the Internship program on **Jan 3, 2019** and you are required to participate in the same. Please find below the details of the program:

### Why is it important for you?

· During the internship you will learn about the company, products, technologies and the culture. This will help in integrating into your department once you join us in June 2019.

· This also could be considered as your college projects

### Schedule and other details:

· Start date: Jan 3, 2019

· Duration: 3 months

· Stipend: Yes you will get a Stipend, amount will be confirmed shortly

· Accommodation: We will provide for the 1st week, after which you will need to arrange for yourself

· Additional Benefit: You will be provided with a cab pick and drop
