To,
Mr. Sreetej Reddy
Hyderabad (India)

Subject: Offer letter for the position of Backend Developer (Intern)

Dear Mr. Sreetej Reddy,

After carefully reviewing your application to internship position on www.Internshala.com and subsequent evaluation of your experience & interest, we are pleased to offer internship for the position of **Backend Developer for 6 months** starting **1st. March 2019**. You will be paid a monthly stipend of **INR 6,000** (based on number of working day) and additional **INR 2,000** as bonus based on number of working days, productivity and commitment (evaluated at the end of the month). The bonus will be paid starting **2nd** month and at the completion of each month.

In this role, your roles & responsibilities will include but not limited to

- Developer and unit test REST APIs in Python
- Work with UI developers to integrate APIs into UI
- Write aggregation queries in MongoDB
- Write database scripts to update historical data
- Maintain tasks in JIRA or task tracking system
- Write and update documentation
- Support Operation team on technical issues
- Maintain code and versioning in Versioning system
- Additional IT tasks assigned by supervisor or management

You are expected to work dedicatedly on this internship (no parallel internships with any other company), to commit 3 to 4 hours each day (minimum) and to adhere to the quality of your deliverables. You are also required to provide one month's written notice before you decide to end your internship (failing to do so will result in loss of last month's stipend).

We welcome you and wish you every success in your career with Perfectice Eduventure Private Limited.

Sincerely,
Kumar Yashvant Singh
